ARCHDIOCESE OF CHICAGO

OFFICE OF THE ARCHBISHOP

April 4, 2014

Dear Father Stacherczak,

It is my pleasure to congratulate you, your parish staff and the entire St. Priscilla community on your generous response to the 2014 Annual Catholic Appeal. Your efforts have resulted in pledges exceeding your parish goal of $25,885.20 for this year's Appeal.

The theme of the 2014 Annual Catholic Appeal is taken from Saint Paul's first letter to the Corinthians - *You are the temple of God*. We are God's temple when we serve others directly and stand for justice, reconciliation, truth, and respect for all life. The people of St. Priscilla have demonstrated their recognition that the Annual Catholic Appeal is a way to give to others and transform the world and so be God's presence. Their dedication is an inspiration to me and all the many beneficiaries of their generosity.

Please share my gratitude with your parish community and know that all people of St. Priscilla are remembered in my prayers each day as I count on all of your prayers for me.

Fraternally yours in Christ,

Francis Cardinal George, O.M.I.
Archbishop of Chicago

RECEIVING HOLY COMMUNION

* ATTENTION ALL PARISHIONERS AND GUESTS OF ST. PRISCILLA *

We have always been taught that when you receive Holy Communion, we are to consume it all and not to break it. A few weeks ago, it has come to our attention that some parishioners or guests are not aware of the consequences of receiving **and not** consuming the Holy Eucharist and are committing serious, grave and mortal sins. We currently have had three incidents, where the Holy Eucharist was left in the pews or on the floor of the church by someone who recently stood up to receive it.

As Catholics, we firmly believe that the Holy Eucharist truly is the Body and Blood, Soul and Divinity of our Lord Jesus Christ and that Christ Himself is present in a real and substantial manner (Catechism, No. 1373-1381). The Church, therefore, must always cherish and guard this great gift of our Lord.

The Eucharist, or Holy Sacrament is the most honored sacrament for Catholics because in it Christ himself is contained, offered himself for us, and it is consumed. The mystery of the Eucharist is carried out continuously through the work of our salvation. The Eucharist is the summit and source of all worship and Christian life. The other sacraments, and all other ecclesiastical works of the apostolate are related to the Holy Eucharist and are oriented toward it (cf. can. 897 NCP).

As Catholics, we must know and educate others about the Canon laws of the church regarding the Most Holy Eucharist.
"The most August sacrament is the Most Holy Eucharist in which Christ the Lord himself is contained, offered, and received and by which the Church continually lives and grows. The eucharistic sacrifice, the memorial of the death and resurrection of the Lord, in which the sacrifice of the cross is perpetuated through the ages is the summit and source of all worship and Christian life, which signifies and effects the unity of the People of God and brings about the building up of the body of Christ. Indeed, the other sacraments and all the ecclesiastical works of the apostolate are closely connected with the Most Holy Eucharist and ordered to it" [Can. 897].

Crimes committed in the temple are "an expression of disdain and contempt for the Church or constitute a violation of the dignity of man and society" (Liturgical Ministries Ceremonial of Bishops). **Violating the sanctity of temples, desecration, sacrilege are a sign of debasement of their perpetrators.** Any encroachment on God and His signs is the fall of man. Who does not have respect for God, who is love, then does not have respect towards any other value.

Therefore, the consequences of desecration of the Blessed Sacrament belong to the category of the most serious "A person who throws away the consecrated species or takes or retains them for a sacrilegious purpose incurs a ***latae sententiae*** *(automatically no longer belonging to the church)* excommunication reserved to the Apostolic See" (Canon 1367 CIC). This means that the perpetrators of this act, by the very fact of its commission, excluded themselves from the Church, and their absolution is reserved to the Holy Father (Pope).

Therefore we ask that the priest or Eucharistic Ministers be mindful that the person receiving Holy Communion does so properly and consumes the sacred Host. **We cannot have incidents where the sacred Host is found in a hymnal or on the church floor. We cannot have incidents where people place the Host in their pocket. The Host is very sacred to us and to all Christians around the world and we have to treat it with respect.**

When we see these abuses, we should first ask the Holy Spirit for prudence and fortitude. Then, approach the person and politely yet firmly instruct him about what is the proper way for receiving Holy Communion. If a person has not consumed the Host, remind him either to do so or return it. Or, find a priest right away, so he can deal with the matter. Moreover, **we must all take responsibility for properly teaching others about the sacredness of the Holy Eucharist through our words and actions. In so doing, we will be the faithful guardians of this precious gift.**

Proper and Improper Ways to Receive the Holy Eucharist

Refrain from receiving the Holy Eucharist in these manners.

Please study these pictures and if you are in the habit of approaching the Holy Sacrament in an improper manner, we ask that you change to one of the two **respectful** methods shown on this page.

To the right we see three different **improper** ways parishioners receive Holy Communion. These three pictures are examples of **HOW NOT TO RECEIVE THE HOLY EUCHARIST!**

C.W.C. MAY CROWNING - May 6, 2014

To All Men and Women of St. Priscilla!

WE ARE LOOKING TO EXPAND OUR USHER MINISTRY

A **Church usher** is the first official representative of the Christian Church that anyone sees when they arrive and as such plays an important role in making the people feel welcome to the service.

He/She introduces visitors to the church. The church usher helps the Pastor to make the service a success by putting the congregation in the right frame of mind to receive the message. The usher meets the people with a pleasant smile, a warm welcome, and directs them to comfortable seats. He/She also sees to it that perfect order is kept in and around the church at all times during the services.

Humility is key in an usher. Ushers are required to be punctual and time conscious as they are required to be at church far earlier than the rest of the congregation.

If you are now an usher or are interested in becoming one and are 18 years old or older, we are inviting you to a meeting on **Saturday, June 7 at 5:00 pm** for the purpose of increasing our usher staff at every Mass on weekends. Please fill out the bottom portion of this page and bring it with you to the meeting or if you cannot attend the meeting please drop it in Sunday collection baskets or to the Church Rectory.
