PRAYER FOR FR. JOHN

Lord God, You chose our brother John to serve Your people as a priest and to share the joys and burdens of their lives. Look with mercy on him and give him the reward of his labors, the fullness of life promised to those who preach Your Holy Gospel.

We ask this through Christ, our Lord. Amen.

BABY BOTTLE PROJECT

In support of the pro-life movement, our church will be participating in The Baby Bottle Project benefiting the Women's Center of Greater Chicagoland. This non-profit organization directly assists mothers and families experiencing crisis pregnancies by offering emotional, financial, material, and spiritual support through counseling, clothing and monetary provisions, prayer and other aid. By God's Grace, the Women's Centers have saved over 30,000 babies from abortion since opening in 1984.

Please take a Baby Bottle home with you next weekend, fill it with your spare change over the next few weeks, and return it the weekend of March 29th. The bottles may be found in the back of church as leave Mass next weekend.

This is a simple, but crucial fundraising effort for the Women's Center. Thank you for helping defend life, and remember to keep all pro-life undertakings in your prayers, especially during this Respect Life Month.

School News

St. Priscilla School has just received word that two of our eighth grade students, **Artur Glowinski and Paulina Wojkowski**, have been accepted at Lane Tech High School's School of Honors due to their outstanding academic achievement.

In addition, each of these students has been asked to join Lane's Alpha Program, which only a select group of students are asked to join. Upon acceptance into the Alpha program, these students will participate in an intensive honors program focusing on Science Fair, Mathematics, and Engineering. The Alpha program is the most demanding Honors program offered at Lane Technical High School.

Congratulations to these students and their families and we all wish them every success in their future endeavors!

CAPITAL RENOVATION COLLECTION

I want to express my thanks to all who contribute to our Capital Improvements Collection for their generous and consistent donations. We are asked to contribute to so many worthy projects, but these funds are earmarked solely for our own parish. We budget for regular maintenance, but these funds are used for renovations and improvements. We have been given the gift of beautiful parish property and buildings and it is our responsibility to restore and improve them for generations to come!

The donations reported in today's bulletin are from February's Capital Improvement Collection.
